ROOMS IN BLOOM
AT THE FAIRMOUNT PARK HOUSE MUSEUMS

A week-long display of artful arrangements will be held at the six former country estates now open to the public as house museums - Cedar Grove in West Fairmount Park, and Laurel Hill, Lemon Hill, Mount Pleasant, Historic Strawberry Mansion and Woodford in East Fairmount Park.

Garden clubs, florists and floral designers will create arrangements inspired by each house’s unique architecture, art, artifacts, as well as the compelling stories of those who built, lived and labored in, and helped preserve these time capsules of Early American life.

To celebrate International Museum Day free admission will be offered on Sunday, May 17th from 10am to 4pm.

May 17-23

For individual operating hours and directions for each of the house museums, please phone participating houses.

Laurel Hill Mansion will be open every day Sunday to Saturday 10am to 4pm.
